

The Leadbeater Hotel

FUNCTIONS & EVENTS

The Leadbeater has spaces available for groups of 20 through to large groups of up to 350 people.

The Leadbeater Upstairs is our most popular space. The upstairs area caters privately for between 10 and 80 people. The upstairs space consists of multiple usable spaces, private toilets and a private bar with service available.

The upstairs is available for private evening events guaranteed until at least mid- night, with Leady's main bar licensed until 1am.

We offer a stand-alone audio system with microphone for speeches and three 60" flat screen ensure the upstairs is an ideal space for any event.

Groups of between 80 and 300 are able to book Leady's Band Room, which is a fully equipped performance space with state of the art sound and lighting equipment.

The Band Room has a large stage with private green room, a full service bar and a large screen for presentations and a range of seating arrangements. The Band Room is regularly used for gigs, but we are happy to accomadate your event if the space is available!

The Leadbeater's catering and tailored drink tabs are are available for your Upstairs or Band Room party.

FAQ'S

Is there a room hire fee or minimum spend?

There is no room hire fee, nor any minimum spend for any function except for Friday & Saturday night band room shindigs, when we do ask that a \$4,000 pre-paid spend is met over any combination of catering and bar tab.

What drinks do you have available?

Lots!! Our drinks list is pretty fluid (Ha!!) with regularly changing drink specials, tap beers, spirits, cocktails and wines. Drinks selections online are indicative, if you're keen to know exactly what we'll have on the go the best idea is to pop in!

Can I organise a bar tab?

Definitely. All we ask is a dollar value to which you're comfortable running the tab, plus the "groups" of drinks you'd like available, eg: Tap Beers, Ciders & Seltzers, Bottled Beers, House Wines & Champagne, Basic Spirits, Back Bar Spirits and Cocktails, which are all charged to the tab at bar prices on consumption. If you can't be bothered with all the options, we're happy to run a tab with an Open Bar!

Are drinks packages available?

We don't offer per-head all you can drink packages, with bar tabs available as above.

FAQ'S

Can I bring a cake?

Sure!! In saying that, we're not really set up for cake service, so we do ask that disposable plates and cutlery are bought along. We find cupcake arrangements are pretty popular and work well at The Leady.

Can I bring my own DJ or Band?

Indeed & encouraged!

Can I decorate?

Yup. Go for it, knock yourself out! Use blu-tac, pins, whatever.

Can I tentatively book?

Due to the popularity of the spaces, all bookings are available online on a first in, best dressed scenario.

Do I need Security?

We have our friendly in-house security here at The Leady just about every weekend!

Can under age guests come along with an adult?

The Leady provides a vibrant atmosphere, which in the context of an evening event (9pm or later) does not permit under age guests to attend under our Liquor License conditions. Minors are permitted to attend The Leadbeater prior to 9pm, when accompanied by a parent/legal guardian, for the purpose of a meal.
